

SNIPER CLASS INTERNATIONAL RACING ASSOCIATION

STANDARDIZED EVENT BID FORM

This form must be completed and returned to the SCIRA office
by the deadline of _____
as designated by the SCIRA Board.

1. EVENT INFORMATION

1.1: Name of event: _____.

1.2: Proposed dates: _____.

(Note: Finalized dates and schedule must be sent to the SCIRA office as soon as possible.)

1.3: Host nation: _____.

1.4: Sponsoring club: _____.

1.5: Organizing fleet and National Authority: _____.

1.6: Name, mailing address, telephone, and FAX number of person to contact for more information:

1.7: Using a separate sheet, give a brief summary of the prior experience of the Club and the Fleet at hosting major events:

2: BOAT INFORMATION

2.1: Is this a "borrowed boat regatta", where the host must provide boats? YES NO

2.2: How many entries are expected for the event? _____.

2.3: If this is a "borrowed boat regatta" complete the following information:

2.4: How many boats will be available for contestants?: _____.

2.5: What percentage (%) of the boats are in ?:

CONDITION "A" : _____ %.

CONDITION "B" : _____ %.

CONDITION "C" : _____ %.

"A": Less than five years old. Minimum weight. All-fiberglass construction, new design tapered masts, magic box (or better) jib halyard adjustment, adjustable jib leads, ratchet block main sheet system, split traveler system, pole launcher systems. Boat is in excellent race condition with all lines, blocks, halyards, and other systems likely to withstand sustained 25 knot conditions without failure.

"B": Less than ten years old. Minimum weight. All fiberglass hull construction, new design tapered mast. Magic box jib halyard adjustment, adjustable jib leads, ratchet block main sheet system, split traveler system. Pole launcher system optional. Hull is in excellent condition. Rigging is in good race condition with all lines, blocks, halyards, and other systems likely to withstand sustained 25 knot conditions without failure.

"C": More than ten years old. All fiberglass hull construction, new design tapered mast. Magic box jib halyard adjustment, adjustable jib leads. Hull is in good condition. Rigging is in good race condition with all lines, blocks, halyards, and other systems probably able to withstand expected wind conditions for the event, without failure.

2.6: Will boats be available for contestants to charter? YES NO.

2.7: How many boats are available for charter? _____.
